Joint application recommendation entrance examination II Examinees other than our school	Special selection Advancement Returnee・Foreigner	I would like special selection class I would like the graduate class I would like special selection class I would like the graduate class

5. **Application Method** - After registering in advance on the Internet, pay the exam fee and mail the following (6) documents via registered mail.

*Please attach a facial photograph to the examination slip (printed on a home printer) at the time of the online application, and bring it on the test day. If you do not have an Internet connection, please contact us.

6. **Documents to be Submitted** - Documents must be submitted within the application period.

Even if the application process on the Internet is over, the application procedure will not be completed unless the following documents are submitted.

- ① Survey form (Sealed with a survey form for submitting to prefectural public high schools of junior high schools where students are enrolled.)
- ② Application form (attach the same photo as the admission ticket to the form printed at the time of Internet application)
- ③ Recommendation letter (Use prescribed form which can also be downloaded from our homepage.)

7. **Examination fee** - 20,000 yen

8. **Course features**

【Special Screening Course】

This course is designed to prepare students to advance to a state public university or a high-level private university. In the first year, students acquire basic academic skills, and in the second year, they are divided into a literature or science emphasis. In addition, in the third year, to prepare for a curriculum corresponding to the examination of the desired university, students are divided into four categories "national public selection grammar and science", "private selection grammar and science", We will improve students' academic ability to realize their goal.

【Advanced Course】

This course is designed to aim for each desired course of care, including going to mid-level private university.

In the first year, basic academic ability is strengthened, and in the second year, it is divided into three categories, "Humanities, Science, and Literature" which are tailored to each course. It is a course which challenges students through various school activities such as department activities as well as admission examination measurement, giving priority to subjects that conform to each system.

*** Sports Recommendation System**

This is a system that gives preferential treatment in consideration of a student's excellent sports achievement such as participation in national tournaments, regardless of gender.

Please consult with your junior high school club advisor in advance.

9. **Special Student Registration System**

This system will be provided to select students based on their entrance examination results.

(Depending on their score, students can be exempted from enrollment fee or scholarship expenses. However, the baseball club members are limited to 5 people)

10. **Breakdown of Tuition Payments**

Payment at the time of admission

Enrollment Fee 150,000 円

Facilities Equipment Fee 160,000 円

Tuition Fee, etc. Payment

Tuition Fee 396,000 円 (33,000 円 per month)
